New Strategies for Navigating a Changing System

Sunday, May 6 and Monday, May 7, 2012

Marriott Hotel, Albany, NY

Dear Friend,

Each year, hundreds of families from all over New York State attend the Families Together in New York State Annual Conference, dedicated to strengthening children and their families. At Families Together, we are committed to children and youth with social, emotional and behavioral challenges. Our Annual Conference allows families to come together once a year to gain support, information and new resources.

We invite you to share in the celebration of the family voice and family support by exhibiting at our conference and meeting people across our state who work every day to enhance the lives of children. Our theme this year, *New Strategies for Navigating a Changing System*, serves as a great platform for you to share your expertise with our families.

This year's conference is being held on Sunday, May 6 and Monday, May 7, 2012 at the Marriott Hotel on Wolf Road in Albany, New York. It would be wonderful if you would join us by exhibiting. Your presence not only gives you the chance to showcase your business, but also to show hundreds of people across our state that you care about children's mental health and about supporting families.

Please partner with Families Together and help families of children and youth with social, emotional and behavioral challenges. Thank you in advance for your time and consideration.

Sincerely,

A handwritten signature in black ink that reads "Paige A. Pierce".
