

Family Peer Advocate Information Change Form

It is important for Families Together in NYS, the Family Peer Advocate Credentialing agency, to have your most current contact information. We use this information to send you current information on changes to the credential, continuing education opportunities and to remind you when it is time to renew.

Please use this form to keep us up-to-date. Fill in your name and the information that has changed. **You do not need to fill in the entire form.** For example, if your phone number has changed, just fill in your name and your new phone number. Then save the form and email it back to us at fpacredential@ftnys.org. Thanks
