Amplifying youth voice and peer advocacy

Mission: Youth Power is a statewide network of young people who have been labeled and are seeking change hosted by Families Together in NYS. Together we have decided to speak up about our experiences because no one knows what it is like for us better than we do. Through peer-to-peer mentoring, we empower young people to be active citizens, aware of government operations, their rights and the ability to use their voices to influence policy, practice, regulation and law. We are young people helping other people, ensuring availability of self-help, peer support and changing systems so that young people get the support they need with the respect and dignity they deserve.

As a member, you stand with hundreds of young people across the state in saying that you believe in what we are doing and want to strengthen the numbers behind our mission. Becoming a member means you get all the latest information about things that are important to young people and give as much of your time to us as you want or can. YP of FTNYS is a safe space for those looking to organize advocacy, to speak out and amplify their voices for change. Stand proud as part of a movement working to change systems and pave the way for the next generation of youth by becoming a member today.
