Job Opportunity: Wellness Peer Specialist

Hands Across Long Island (HALI) is a peer-run mental health agency providing advocacy and supports to people experiencing trauma, mental health, and co-occurring life challenges. We have an immediate need for an experienced Wellness Peer Specialist to work at our Recovery Center in Central Islip (western Suffolk). HALI provides a collaborative, supportive work environment for peer professionals with an emphasis on career development. This position reports directly to HALI’s Coordinator of Wellness Services.

Essential responsibilities:
• Support visitors to Recovery Center with community participation and wellness goals
• Communicate the value of community participation
• Assist in delivery of HALI peer training and internship program
• Provide 1:1 peer support and facilitate self-help groups
• Collect data and document work as needed
• Help design, plan, and host social events
• Conduct outreach to community resources
• Educate and present in the community on mental health needs and experiences
• Use frameworks like Trauma-Informed Peer Support, Wellness Recovery Action Plan (WRAP), Personalized Medicine, Eight Dimensions of Wellness, Recovery Coaching, and/or Motivational Interviewing in support of HALI community.
• Promote overall agency vision of recovery, peer support, empowerment, and social justice.

Requirements:
• At least 2 (two) years’ experience working as a Peer Specialist, in any setting.
• NY Certified Peer Specialist (CPS or CPS-P) and/or credentialed Youth Peer Advocate (YPA or YPA-P). NY Certified Recovery Peer Advocate (CRPA) not required, but a plus.
• HS diploma or GED required. Bachelor’s degree a plus.
• Self-identified experience with mental health, trauma, and/or co-occurring life challenges and/or experience with receiving mental health services.
• Willingness to disclose experience, and ability to strategically use experiences to relate to and support others now experiencing challenges.
• Reliability and ability to work both independently and as a team.
• Demonstrated ability to creatively design programming.
• Demonstrated understanding of relevant resources available in Suffolk County.
• Training in, and demonstrated understanding of, frameworks referenced above.
• Excellent organizational, communication, and engagement skills.
• Clean, valid driver’s license.

Other:
• Background check required for all HALI employees.
• Full time: 7-hour shift, 8:30-4:00. Some flexibility available, some flexibility required.
